ONKAR INTERNATIONAL
AN ISO 9001 CERTIFIED COMPANY

ONKAR INTERNATIONAL
www.onkarinternational.com
ABOUT US

Onkar International established in 1995 AN ISO 9001 : 2000 CERTIFIED COMPANY is a flagship concern of Onkar International Group founded in 1974, managed by dedicated professionals having rich industrial experience with a passion for innovation and excellence.

Onkar International specialized in manufacturing of Strut Support Fittings, Pipe Support Systems & Various Special Fasteners as per BS, DIN, ASTM standards made from Mild Steel Grade 4.6 to 12.9, Stainless Steel Grade A2 & A4, has helped us to attain a measure of excellence in our chosen field of manufacturing of different kind. The Company has gained appreciation worldwide for its progress and achievement. The company believes in doing business with integrity. Our manufacturing facilities keeping pace with technical advantages purely define our corporate dynamism ready to confront the challenges of the new century, infusing innovative thinking with bold initiatives.

Onkar International equipped with the best infrastructure and latest technology to meet the global needs. Stringent quality control, courteous and prompt delivery has paid off, as today we have a loyal client following in domestic and foreign markets. The imprint of our services to our esteemed buyers runs across the U.S, U.K, France, Scandinavia, CIS and Latin American countries.

Our endeavors are focused on customer satisfaction. To achieve this, continuous efforts are made towards excellence in all aspects. Customer needs are anticipated and regular brainstorming generates new ideas to meet markets demands. The cost of production is kept as low as possible and the advantage is transferred to the customer In terms of highly competitive prices.
